The Role of Athletics at CPA

It is the goal of the athletics program at Christ Presbyterian Academy to teach our students fundamentals of physical development that will benefit them for the rest of their lives. Each student is instructed to take proper care of his/her body, the temple of the Holy Spirit, to exhort one another in times of trial, to complete tasks which are begun, and to cooperate with team members.

We at CPA must never allow the athletics program to become The Program. Athletics is offered so that each student can learn to face tough circumstances with determination and to continue on, even if victory seems impossible. We desire for our athletes to learn to persevere, to lose with grace, and to win with humility.

Finally, the athletics program at Christ Presbyterian Academy will be one that teaches self-sacrifice, self-discipline, and personal commitment to attain the goal of excellence. The primary goal is to develop characteristics in students that will enable them to overcome challenges they will face throughout their lives.

Letter from the Director

Dear Parents,

Christ Presbyterian Academy is excited to announce our schedule of sports camps for the summer of 2010! Our experienced staff realizes the importance of fundamentals by reaching out to the individual campers, regardless of playing experience or ability. By placing campers in appropriate age and experience groups, we ensure a fair and positive learning environment for all who attend. As a result, our camps are ideal for both the beginner and the experienced athlete. Relationship-building is a main component of our camp offerings among campers, coaches, and parents. This is fostered through a Christian environment where the importance of encouragement, involvement, and enjoyment is paramount.

Soli Deo Gloria,

Michael D. Ellson
Athletic Director
