Lola Lago Detective by Lourdes Miguel y News Sans
¿Eres tú María?

Assignment: This is a short novel about the detective Lola Lago and the case she is bound and determined to solve. The questions in the back of the book need to be completely answered and ready to hand in on the first day of class. Students need to please write or type their answers on a separate sheet of paper. If students remember well, they watched a simplified version of this same story in Spanish I. The reading may be a bit difficult, but remembering back to the movie should help.
